ISSUE # 009

Day at the Park

The Childhood Cancer Day was a big success. With ball games all day, Dori, David and David in the Dunkin Booth, and good food, we all had a good time. It was good to see the big crowd that came out that day to support us and a special thanks to the umpires that donated their time. The dunkin booth was a blast, parents, umpires and ball players lined up to dunk these guys.

Play Ball

Well we did, and had a good time doing it. As the season winds down, we are thankful, that for the most part we had a safe season. A broke bone or two, but nothing major. Thanks to everyone who volunteered their time to make it a successful season...again Thanks.

Optimist Creed

Promise Yourself

To be so strong that nothing can disturb your peace of mind

To talk health, happiness and prosperity to every person you meet

To make all your friends feel that there is something in them

To look at the sunny side of everything and make your optimism come true

To think only of the best, to work only for the best, and expect only the best

To be just as enthusiastic about the success of other as you are about your own

To forget the mistakes of the past and press on the greater achievements of the future

To wear a cheerful countenance at all times and give every living creature you meet a smile

To give so much time to the improvement of yourself that you have no time to criticize others

To be too large for worry, too noble for anger, too strong for fear, and too happy to permit the presence of trouble
